MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

2

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

EMPATHIC COORDINATION

I am good at understanding people and systems. My gift to guide and coordinate others results from that. In doing so, it is always my goal to support others in their development. I love to comprehend systems and make them thrive.

I have the courage to try out novel things in order to make improvements or changes. By doing so, I bring to light what doesn't work. I can cope with errors as these are part of any transformation process. My wealth of experience is the basis of my know-how.

ENTHUSIASM-DRIVEN MOTIVATIONAL POWER

I am strongly motivated to experience new emotional states. My dreams and visions enable me to encourage and enthuse others. My strong desire can trigger restlessness because I seek new challenges all the time.

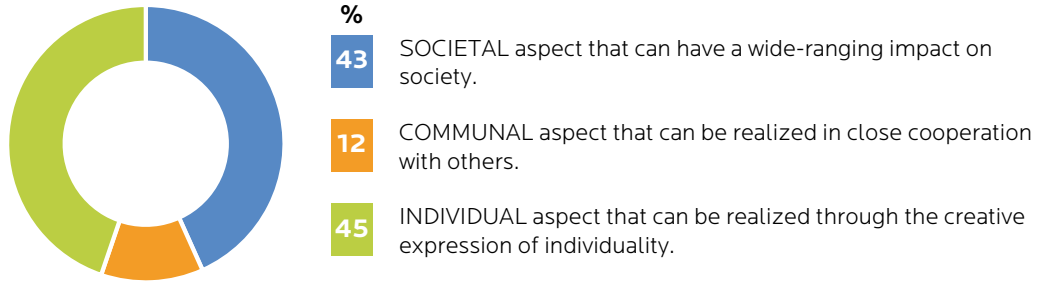

SENSE OF AESTHETICS

I love aesthetic and beautiful things. Intuitively, I can perceive or shape the perfect form. Often, beauty lies in the simple, the pure, and the genuine. I enjoy esthetic surroundings and like to shape them myself. As nature shows us, esthetics is also a basic survival principle.
