### MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

## MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

### COOPERATIVE CREATIVE POWER

I like to be active and can develop very well in cooperation with others. I make my creative power available to productive and satisfying processes. If something appeals to me, I can bring in my energy very persistently and powerfully.

### SELECTIVE PASSION

I passionately pursue what I am interested in. I engage with my networks and make influential contributions. In order to devote myself to my passions undisturbed, I tend to retire from time to time.

### CONCEPTUAL AND ORGANIZING SKILL

I have a logical mind and the organizing skill to structure and shape processes timely. A talent that is valued in every organization. I tend to support my opinion with precise facts as a basis for future-oriented decisions.

### JUDGMENT FOR OPTIMIZATION

I have the ability to discern what is not optimal yet or where improvements can be made. My critical judgment is the basis for my dissatisfaction with what can still be optimized. Sometimes I appear to be a know-it-all because criticism is not always well-received.

### AMBITIOUS COOPERATION

I am strongly motivated to be successful and satisfy my ambitions. I do not shy away from hard work and show great commitment. My ability to accept a subordinate role pays off in the form of hierarchical advancement.

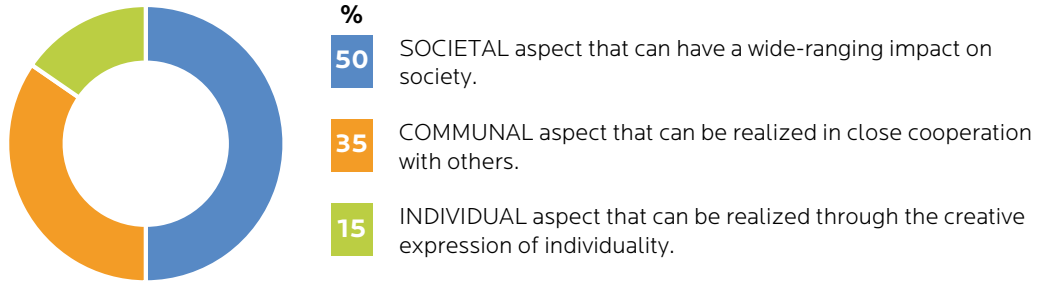

### INTUITIVE VITALITY

I can develop powerfully through the interplay of my intuitive awareness with my strong vitality. This vital strength gives me the opportunity to assert myself even in risky situations and to establish a sense of security among others.

3.3 MY POWERBASE\* (which organizational forces I support)

\*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.
