MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

2

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

EMPATHIC COORDINATION

I am good at understanding people and systems. My gift to guide and coordinate others results from that. In doing so, it is always my goal to support others in their development. I love to comprehend systems and make them thrive.

TRANSFORMATION BY EXPERIENCE

I have experienced and tried out many things in the course of my life. This helps me to identify individual approaches which may have an exemplary function. I contribute to transformations as I stand for new things and make others see them, too.

INCLUSION OF EXPERIENCES

I have the ability to process experiences very well and identify their significance for future planning. I am a good listener and therefore also learn a lot. Thanks to my excellent memory I am a good resource for others. With this ability I can bring important contributions to team work.

AMBITIOUS COOPERATION

I am strongly motivated to be successful and satisfy my ambitions. I do not shy away from hard work and show great commitment. My ability to accept a subordinate role pays off in the form of hierarchical advancement.

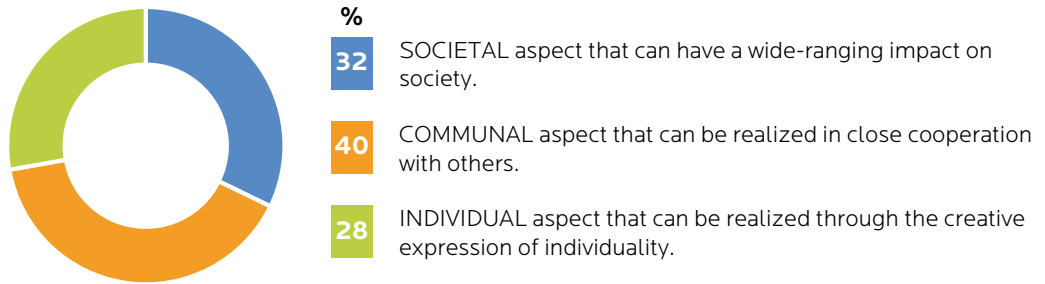

PRESENCE & AUTHENTICITY

I attach great importance to being authentic. I don't want to disguise, as I love to be "myself". For the sake of my individuality I don't easily adapt my behavior. I live in the "here and now" as life always takes place only now.
