### MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

**MY SPECIFIC TALENTS AND SKILLS**

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

**SPECIALIZED ACTION-ORIENTATION**

I like to bring in my creative power to productive processes and can tackle things vigorously. However it is important that a task is in line with my talents and skills and that I can realize my full potential in a satisfying manner. I appreciate cooperating with those who I can enthuse with my projects.

**COURAGE TO TRY OUT NOVEL THINGS**

I have the courage to try out novel things in order to make improvements or changes. By doing so, I bring to light what doesn't work. I can cope with errors as these are part of any transformation process. My wealth of experience is the basis of my know-how.

3.3 MY POWERBASE\* (which organizational forces I support)

\*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.
