MY GENIUS FORCE FIELD

The Genius Force Field (white area) shows how my 9 Genius Forces unfold.

- Where the white force field opens wide to the outside, I can develop with great self-determination. Here, I can have a strong impact on my environment and on others.
- Where the white force field expands less outwardly, other people can get close to me, influence me and I can perceive their impact on me.
- The orange-colored lines show which aspects are connected and how they function together.

2

MY SPECIFIC TALENTS AND SKILLS

Each individual has talents and skills that have an impact on every work process. The better I use these talents the more satisfying my work is.

COOPERATIVE CREATIVE POWER

I like to be active and can develop very well in cooperation with others. I make my creative power available to productive and satisfying processes. If something appeals to me, I can bring in my energy very persistently and powerfully.

INFLUENCE BY OVERVIEW

I like to observe the world from a bird's eye view in order to achieve an objective overview. From this position I develop my individual skills in the course of my life and can thus become an influential role model for others.

ANALYTICAL MIND

My analytical mind allows me to get to the bottom of things. A safe path into the future needs to be based on logical formulas and the ongoing verification of hypotheses in order to eliminate all doubt.

PERSUASIVE POWER

I can develop my strength with great persuasive power. I pursue my individual path and can hardly be dissuaded from doing so. As a consequence, I am selective and demanding in terms of my work and how I do it.

JUDGMENT FOR OPTIMIZATION

I have the ability to discern what is not optimal yet or where improvements can be made. My critical judgment is the basis for my dissatisfaction with what can still be optimized. Sometimes I appear to be a know-it-all because criticism is not always well-received.

PRODUCTIVE STRUCTURING

I can explain my individual insights and thus transform existing points of view. I can contribute to the efficient and well-structured use of energy. The increase of productivity in processes is one of my major concerns.

AMBITIOUS COOPERATION

I am strongly motivated to be successful and satisfy my ambitions. I do not shy away from hard work and show great commitment. My ability to accept a subordinate role pays off in the form of hierarchical advancement.

INTUITIVE VITALITY

I can develop powerfully through the interplay of my intuitive awareness with my strong vitality. This vital strength gives me the opportunity to assert myself even in risky situations and to establish a sense of security among others.

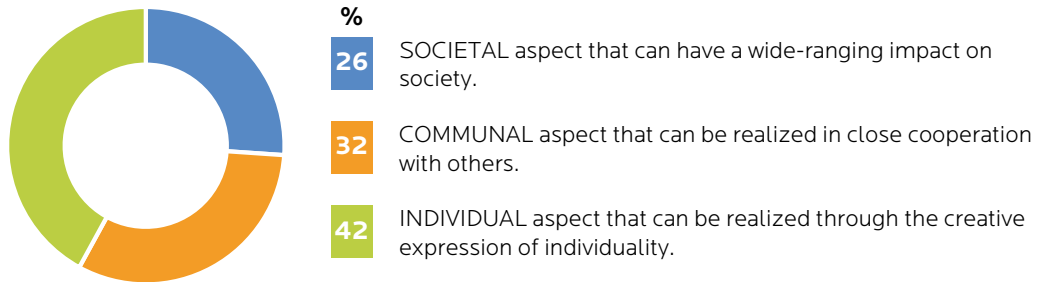

SENSE OF AESTHETICS

I love aesthetic and beautiful things. Intuitively, I can perceive or shape the perfect form. Often, beauty lies in the simple, the pure, and the genuine. I enjoy esthetic surroundings and like to shape them myself. As nature shows us, esthetics is also a basic survival principle.

REALIZATION - TEAM ROLE - IMPACT

3.1 HOW I CAN FULFILL MYSELF

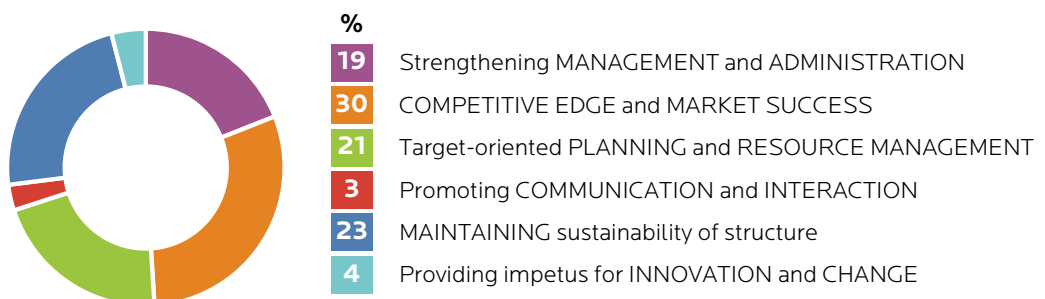

3.2 MY PREFERRED TEAM ROLE

"TEAM SUPPORTER", supportive, communicative, process-oriented

While working in a team I can make valuable contributions and support the team process. Temporary team work is satisfying to me when everybody involved act in concert and good results can be achieved. When being part of a team, I don't necessarily have to have a leading role in the team process.

3.3 MY POWERBASE* (which organizational forces I support)

*) The Powerbase describes an individual's influence on an organization only through his or her presence. The Powerbase aspects don't reveal personal qualities or skills but shows the involuntary impact of an individual on an organization or on the organizational forces in an organization.

4
